General Comments

From 0600-1030, I worked on the South Main Span cable band data collection. Refer to Victor for details on the data as the info was entered into the spreadsheet by him. Kevin the foreman and five other laborers were working for ABF. From, 1030-1230, I worked general SAS office duties. From 1230-1730, I worked on the North Main Span cable band data collection. Kevin was the foreman for half the day. Five laborers were working the full ten hour day.
